Fortin-Tremblay, S. (1987). [Untitled article]. *Inter*, (34), 10–10.

A black and white photograph of a textured, circular object, possibly a piece of fabric or a mask, with a grid pattern. The object is surrounded by a dense, swirling mass of text in French, which appears to be a transcription of spoken language. The text is arranged in a circular, dynamic flow around the central object.
