CALENDAR

22-24 September 1988: Science and Society in the Maritimes. The "Technology and Humanity" Research Programme at Mount Allison University, in conjunction with the Centre for Canadian Studies, is hosting a conference on the historical development of science and the impact of technology on society in the Maritime Provinces. The banquet speaker will be Robert Bruce, author of *The Launching of Modern American Science* and winner of the 1987 Pulitzer Prize in History. Contact: Dr. Larry McCann, Director, Centre for Canadian Studies, Mount Allison University, Sackville, N.B. E0A 3C0.

29 September- 1 October 1988. Atlantic Canada Workshop. The 1988 Atlantic Canada Workshop will be held at Dalhousie University and will examine the theme of "Community, Heritage and Resources". An extensive programme has been arranged focusing on such topics as "Developing a Community", "The Urban Community Experience", "Rural Producing", "The Rural Community Experience", "Political Perspectives", "Regional Music", "Buildings and their Records" and there will be a number of workshops. Contact: Janet Guilford/Suzanne Morton, Department of History, Dalhousie University, Halifax, N.S. B3H 3J5.

21-23 October 1988. Atlantic Association of Historians. The annual meeting of the Atlantic Association of Historians will be sponsored by the University of New Brunswick in Fredericton. Since it is the 50th anniversary of the founding of the department a special guest will be Alfred G. Bailey and the banquet address will be delivered by Bruce Trigger of McGill University. Contact: Stephen Patterson, Department of History, University of New Brunswick, Fredericton, N.B. E3B 5A3.
