(2009). Back Matter. *Geoscience Canada*, 36(4), 193–194.

The GEOTOP research centre in geochemistry and geodynamics and the Département des Sciences de la Terre et de l'atmosphère of the Université du Québec à Montréal (UQAM) invite applications for a tenure-track faculty position for a Canada Research Chair Tier 2 in light isotope geochemistry. The selected candidate will be presented to the Canada Research Chair Programme ([www.chairs.gc.ca](http://www.chairs.gc.ca)). Researchers who have obtained their doctoral degree less than ten years ago at the time of nomination and who are acknowledged by peers as having the potential to become a leader in their field of research are invited to apply.

Applications, including a letter outlining the applicant's career objectives, a proposed research programme for the next five years (approx. 5 pages), a detailed curriculum vitae, and the names and e-mail addresses of three referees should be submitted before **January 4, 2010**. The selected candidate will be invited to prepare a dossier for submission to the Canada Research Chair Programme in the Spring 2010. Assumption of duties could begin from September 1st, 2010. Applications should be sent by e-mail to Mario Morin ([geotop@uqam.ca](mailto:geotop@uqam.ca)), Chair of the Selection Committee. For more information, please consult our website: [www.geotop.ca](http://www.geotop.ca).
