## *Les expositions de l'année au Canada* *The Year's Exhibitions in Canada* 1983

---

Cette rubrique est consacrée aux expositions organisées par les musées canadiens, soit à titre individuel soit en collaboration, et elle ne retient que les expositions qui ont donné lieu à la publication d'un catalogue ou d'un feuillet documentaire indiquant la liste des œuvres. Pour les expositions itinérantes (indiquées par un astérisque) nous n'indiquons que les dates où l'exposition fut présentée dans le musée responsable de l'organisation, même si d'autres présentations eurent lieu avant ou après ces dates. Si une exposition a été organisée pour être présentée uniquement dans des institutions autres que celle qui l'a organisée, la date et le lieu de la première présentation sont indiqués sous le nom de l'institution qui en fut responsable. Le titre du catalogue ou du feuillet documentaire n'est indiqué que s'il est différent du titre de l'exposition. Dans la mesure du possible, les informations reçues ont été vérifiées dans les publications elles-mêmes.

The following bibliographic record documents exhibitions originated or co-originated by Canadian institutions, when such exhibitions were accompanied by a catalogue or a handlist (a numerical listing). Circulating exhibitions (indicated by an asterisk) bear the exhibition dates of the originator only, regardless of whether other showings occurred prior to or after those dates. When such exhibitions were intended only for circulation in other institutions, the date and place of first showing is given under the name of the organizer. Unless otherwise indicated, the title of the accompanying publication is that of the exhibition. Information supplied has been verified where possible against the publications themselves.

#### SEARCH FOR CANADIAN SCULPTURE 1890-1945

As the Curator responsible for a major retrospective of the work of the sculptors Frances Loring (1887-1968) and Florence Wyle (1881-1968) to be held at the Art Gallery of Ontario in 1987, I am endeavouring to locate as much of their work as possible for study or display. I am also interested in the work of their contemporaries (particularly Walter S. Allward, Alfred Howell, Winnifred Kingsford, Emanuel Hahn, Elizabeth Wyn Wood, and others), including sketch models and drawings. If you own a piece of Canadian sculpture (maquettes in plaster, terra cotta or bronze; reliefs; fountains; plaster casts; bronzes; works in stone or synthetic materials) from circa 1890-1945, or know of any collectors of such work, please contact me at the following address: Christine Boyanoski, Assistant Curator of Canadian Historical Art, Art Gallery of Ontario, 317 Dundas Street West, Toronto, Ontario M5T 1G4. Tel.: (416) 977-0414 ext. 323.

#### SEARCH FOR ROMNEY'S WORKS IN CANADA

As 1984 marks the 250th anniversary of George Romney's birth, the Kitchener-Waterloo Art Gallery is mounting a major exhibition of his paintings and drawings. George Romney (1734-1802) is acknowledged today as ranking next after Reynolds and Gainsborough in the late eighteenth-century English portrait school. The proposed exhibition will show Romney with a Canadian slant, that is, Romney in Canadian collections, both public and private. A recent index claims there is but one work by Romney in Canada. To the contrary, a considerable number of paintings and drawings exist, as the most preliminary research reveals. The show itself is scheduled to open September-October 1985; we would therefore appreciate any information on paintings or drawings by Romney. Confidentiality will be observed at the owner's request. Please telephone Jennifer C. Watson at (519) 379-5860 or write: Kitchener-Waterloo Art Gallery, 101 Queen Street North, Kitchener, Ontario N2H 6P7.
