A Current Bibliography of Canadian Church History

NOTE : Within each section works are set out in alphabetical order under the name of the author. It will be noted, however, that in sections 5, 6 and 8, the arrangement is first alphabetical by subject, i.e., communion, place or person. Items are not repeated, but at the beginning of each section, after the first, reference is given to relevant items, if any, in earlier or later sections.
